PASTORAL ENCOUNTER

The Spring and the Fall are the two most enjoyable times to visit the river. In the Spring, all the growth is fresh and new. In the Fall, the mature growth is a bit disheveled as the season grows golden and the effect is a feast for the eye. As we strolled the road, on the alert for images of beauty, this dappled creature spotted a chance for a friendly hello, came readily in answer to a whistle; cocked a quizzical

Board Opposes Pier

MATTAPOISETT SELECTMEN'S MEETING SEPTEMBER 5, 1989-by VIRGINIA MORGAN

Selectmen voted unanimously last Tuesday to go on record as being opposed to the application to the U.S. Army Corps of Engineers to construct a 256 foot long fixed pier off Brandt Island. Selectmen Chairman Bernard F. Talty said this area is a high priority shellfish area and also a high boat traffic area.

Many letters have been received by the Selectmen, the Corps of Engineers and the State Department of Environmental Protection citing opposition to the pier. Shellfish Constable Brian Nunes has issued a strong opposition because of the vital shellfish area as well as the shellfish hatchery being conducted in the area.

The application was filed on behalf of the Brandt Island Association, Ann G. Leibowitz, Treasurer-Secretary. The applicant is not involved with the Brandt Island Improvement Association, Inc., but is an association with a membership of four persons.

Mr. Harvey Blanchette, a resident of Brandt Beach, said many of the issues of vital importance are primarily with the environmental issues that will be detrimental to the area and navigational hazards. The pier would have an articulating ramp off Brandt Island. The concern expressed by

In other business, Selectmen:

RECEIVED A COPY OF A LETTER from Town Counsel Donald J. Fleming to the Board of Health regarding the Agent recently hired by the Board. Mr. Dale Barrows, who worked at the sanitary landfill for the Board of Health, was hired to also work part-time as an agent. Mr. Barrows worked under the union at the landfill but not as an agent.

Counsel writes, "As a follow-up to the meeting with the Board of Health on August 21, and the Selectmen, I contacted Mr. Pedro at the Union office and Mr. Pedro has agreed that the Board of Health may temporarily use Mr. Barrows as the Board of Health Agent until we have had an opportunity to negotiate with the Union as to the status of the employees at the landfill. Mr. Barrows may be appointed temporary agent but only at the same salary as his present wages, and he may not be employed at the landfill while he is in the capacity of acting Board of Health agent on Monday and Tuesday and then work in the landfill on Wednesday and then go back to the agent's job.

"The Board of Health Agent is not within the union unit and is in fact a supervisor and confidential employee. The Board of Health will, therefore, be required to go the Personnel Baord and discuss with them the employment of a full-time Board of Health Agent. In appointing Mr. Barrows, it should be made clear that the appointment is only temporary and it might well be that the Personnel Board may require that the new position be advertised."

RECEIVED A LETTER from Mr. Marc Goddu, owner of the Mattapoisett Inn, in which he responded to Selectmen's letter regarding recent complaints from neighbors about the loud music and noise from the customers leaving the restaurant. Mr. Goddu has agreed to a joint meeting September 12th with the Selectmen, the Police Chief and neighbors.

Mr. Goddu writes, "Over the last 11½ years my wife and I have been operating the Mattapoisett Inn. We feel we have created a needed and wanted 'gathering spot' for all of our residents. We have provided a clean and trouble free lounge, where patrons are constantly reminded to respect the laws, their neighbor and each other.

"Regarding any noise problems emanating from within the Inn, we have music,

ACCEPTED WITH REGRET the resignation of Ms. Elaine "Amy" Peters as Director of the Council on Aging, effective September 8. Selectmen agreed to send her a certificate of appreciation in recognition of her service to the town.

Ms. Peters writes, "I have enjoyed working with and for the seniors of our town, but find, due to personal reasons, I now have to step aside. Hopefully, the welfare and well being of our older population will always be in the future plans of Mattapoisett."

Council on Aging Chairman Eleanor Lynch has been interviewing applicants for the part-time job. Several applications have been received. The Council members will review the applications and make a recommendation to the Selectmen for an appointment.

RECEIVED A COPY OF A LETTER from Mr. Bruce E. Rocha in which he expressed his opinion to the Board of Health that the rubbish collection should remain under contract to the town and not released to a private collector. Also, the dump should be kept for the exclusive use of the property owners of Mattapoisett. "Property owners will always need a location to dispose of refuse. This problem will not go away in four or

"There is a distinct difference between property owners and voters. Property owners pay taxes; voters are the people you represent. Property owners through taxes (not fees) become the vehicle that pay for these programs. It should be pointed out that approximately one-third of our property owners are not voters; in addition, our largest taxpayers are out of town interests including public utilities. Letting the property owners pick up the tab through increased taxes, a third of which will be picked up by out of town interests."

WERE NOTIFIED by Town Counsel that Mattapoisett will be required to have a harbor plan included in the proposed Chapter 91 Waterways regulations. He recommended the Selectmen complete the harbor study plans for the state Department of Environmental Protection.

Chairman Talty said Mattapoisett has a Harbor Plan, but that a few changes have been made, such as adoption of an Enterprise Fund and some minor changes which will have to be included in the proposed regulations.

sistance to review zoning by-law proposals.

Mr. Ketcham noted the Jnauary 17, 1989 contract between his firm and the town provided $35,000 for the land use plan, $3,000 of which was reserved for a land use attorney. In view of the complexity of some of the zoning by-law revisions and additions submitted to the Planning Board, the Planning Board concurs in the advisability of having specialized legal guidance.

Mr. Ketcham added that use of an outside attorney will not preclude review of all zoning by-law changes by the Town Counsel. All zoning by-law changes submitted by Mr. Ketcham are conditioned upon final review and approval by the Town Counsel.

RECEIVED A COPY OF A LETTER sent to Mr. Wayne Walega from Building Inspector Andrew J. Bobola regarding the use of Mr. Walega's property at 88 North Street.

The Building Inspector said, after reviewing the zoning by-laws, he is in agreement with Mr. Walega that the proposed use of a bicycle shop at that address will generate the same consistent traffic patterns as well as customer count as did the past uses. Mr. Walega will, however, have to apply to the Zoning Board of Appeals for approval.

Effect of Rising Sea Levels

AND THE LOSS OF LAND IN MARION

Feeling that the people of Marion should have more information on the possible loss of Marion land due to rising sea levels, the Marion Natural History Museum, the League of Women Voters and the Sippican Lands Trust, encouraged by the Marion Planning Board, have joined together to present a program on Wednesday, September 20th, at 7:30 p.m. in Lyndon Hall, South to consider the possible scenarios of the not too distant future.

Historically, in Massachusetts, the mean annual relative sea level rise is 0.01 feet per year. In Marion it is .031 feet or 2.1 acres out of 6,880 upland acres. In three different projections of the future, between the years 1980 and 2025 if the historical pattern remains the same, the total upland loss in Marion will be 96 acres; if there is a 1.14 foot rise, the loss will be 243 acres and in the case of a 1.57 foot rise the loss will be 335 acres.

The likelihood of these cited cases and

On Sunday, September 17th, the Confirmation Class will meet at 9:00 a.m. at the Mattapoisett Congregational Church.

The worship service will begin at 10:30 and the title of the sermon will be "A Sense of Place". The Rev. Raymond David Patch will be discussing how our world offers many distractions, some immoral, some simply frivolous. What will it take for us to clear our lives and "will one thing" (Kierkegaard).

Mattapoisett Board of Appeals

DECISIONS ANNOUNCED

Three Special Permits were granted by the Board of Appeals, effective September 1, 1989.

Mr. Peter Noyer of Briarcliffe, New York was granted a permit to convert a one-family dwelling into a two-family dwelling on his property at 94 Marion Road in the General Business District.

The applicant proposed to convert the single family dwelling into a two family dwelling consisting of two townhouse apartments. Each apartment will consist of three bedrooms, living room, kitchen/dining room, bath and deck. The structure currently consists of six bedrooms, living room, dining room, enclosed porch, bath and deck. The alterations will not change the footprint of the existing structure and will not increase the existing nonconformity. The septic system has been deemed adequate by the Board of Health.

A separate driveway and residential parking area for the dwelling unit and a separate driveway and business parking area for the business. A previous appeals decision

allowed use of the property for an office, garage and parking facility for a general contracting business; this previous decision will not affect the current decision. The Board determined the multi-family use will be less intensive than a number of other permitted uses in the general business district.

The second permit was granted to Thomas J. and Jeanne Ruel Howley of Dedham, relating to property they own at 19 Silver Shell Avenue in the Crescent Beach section in the Waterfront 30 District.

The applicants propose alterations to enlarge the five foot by eight foot bath to a 15 foot by 8 foot bath. The alterations will change the footprint of the existing structure but not increase its nonconformity. No one appeared at the public hearing in opposition. Neighboring landowners appeared in favor of the application.

The third application was granted to Gerald P. and Maureen C. Lewis of New Bedford relating to their property at 3 Ocean View avenue in the Waterfront 30 District for alterations to add a 20 foot by 9 foot deck to the west side of the structure approximately nine inches off the ground with a rail and lattice around it. The proposed alterations will not increase the existing nonconformity of the structure. The proposed west side setback will become 10 feet, which meets the original W10 zoning requirements. No one appeared at the public hearing in opposition.

MEETING OF SEPTEMBER 6, 1989

Zora Enterprises: Notice of Intent to build roadways and install utilities through Bordering Vegetated Wetlands and across a brook, and in the buffer zone to a BVW. Copies of a wildlife habitat report for the 22-acre site were distributed; applicant's environmentalist described plans for enhancing wildlife habitat in undisturbed areas to make up for habitat lost to road construction. Commission believes access to site is possible via old logging road from Route 6, making wetland crossing unnecessary; also has major disagreements with placing of wetland line, objects to installation of pipe for 40 feet of effluent brook as having negative effect on water quality. Additional information requested, but applicant asked that hearing be closed and decision made on data already submitted. Both sides seem to expect project to go to adjudicatory appeal to state. Hearing was closed.

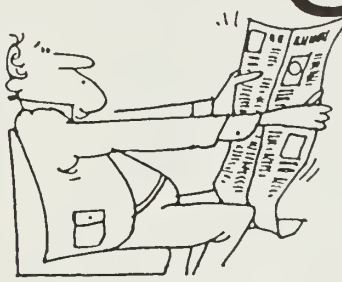
eye talk



Q. I didn't need glasses until I was 45 and then only for reading. Now I need new ones every year. Why?

To answer your question, let's briefly review some eye anatomy.

Inside your eyes, behind the pupil, is a small transparent lens. It is so flexible it can change its shape. This is what makes it possible for us to see sharply and clearly for reading and other close work.

After age 40, this lens has lost some of its flexibility and can no longer do its job right. This is what happened to you.

Each year the lens becomes less and less flexible. Your optometrist can help you compensate for this loss by prescribing the proper lenses to meet your changing needs. These can be either eyeglasses or contact lenses. Annual examinations are, therefore, important in helping you to maintain good vision for everything you want to do.

Presbyopia, as this vision condition is called, affects or will affect us all.

David Croll, Lewis Street - Two Requests for Determination of Applicability, to remove existing house from lot on Lewis Street and to relocate it to empty lot on Front Street between Holmes Street and Allen Street. Charles Bradley, abuttor to Front Street lot, was concerned about flooding of street and of adjacent properties when lot is regraded; it now functions as a collection basin for runoff in heavy rainfall. Photographs showed large areas of standing water. MCC advised Mr. Bradley that site does not meet legal definition of protected wetlands area, is out of Con Comm jurisdiction; suggested he confer with Selectmen. Both hearings closed, negative determinations issued.

J. Christopher Meyer, Planting Island - Request for Determination to cut back rampant bittersweet, other neglected vegetation. Hearing closed, negative determination provided clearing is confined to yard, marsh is undisturbed.

Jay Stelmach, Quelle Lane - Request for Determination, to identify and locate wetland resources on lot. Engineer submitted plan showing revised wetland line; consensus was that any septic system proposed for site will probably require a variance. Unresolved questions remain about exact location of property line, ownership of wetlands off-site. Hearing closed.

Paul Nordstrom, Ridgewood Lane - Notice of Intent to construct dwelling, septic system, driveway. Project number received from DEP, hearing closed.

Richard A. Butler, Allen's Point Road - Notice of Intent to repair and improve septic system. Two old cesspools will be

pumped and filled with sand. MCC raised question of possible tidal influence on water table; water table test was done almost at low tide and outside of proposed leaching area. Engineer agreed to install monitoring well, check for effect of tides. Continued to 7:45 P.M. September 13.

Frederick A. Thayer, Pinewood drive - discussion of most efficient way to deal with redesign of drainage structure for which MCC has refused Certificate of Compliance. Owners will have new plan prepared by professional hydrologist. MCC agreed that Certificate will issue on completion of new structure.

J. Garvin van Doren, Indian Cove Road - discussion of proposed replication and restoration plan for filled wetlands. Owner represented by legal counsel, horticulturist/landscape designer, and environmental expert; Town Counsel was present for MCC. Discussion centered mainly on commercial availability of appropriate wetlands trees and shrubs, question of substitute plant materials, and provisions of legal agreement establishing escrow account to pay for restoration work, and for replanting area in case of failure. MCC options are to enter into agreement assented to by both sides; or to withhold Certificate of Compliance sought by owner and pursue wetlands restoration in Superior Court. MCC withdrew for brief

executive session with Town Counsel, returned to report 4-3 vote in favor of written agreement, provided document followed recommendations of Town Counsel. If no such agreement is completed within 30 days, MCC indicated intent to go forward with established procedures to compel compliance. Total cost of project estimated at $33,000.

MCC agreed not to require Amended Orders from David Knapp of River's Edge, who wishes to relocate proposed house farther away from wetland.

Certificate of Compliance was issued to Dr. John Collins, Planting Island.

Amended Order of Conditions was issued to MRN Corp. for a redesigned drainage system at Sippican Long-Term Nursing facility under construction on Mill Street.

Inaugurating the series of awareness hours will be a program entitled "The Spiritual Underpinnings and Practices of Alcoholics Anonymous", to be presented by Arthur Sklut, Psy.D., on Saturday, September 16. "Alcoholics -- as well as most of the rest of us -- want to be God," comments Dr. Sklut. "We want to control everything, but of course we can't, and this creates a very frustrating psychological dilemma." Dr. Sklut will discuss the spiritual path offered by A.A. through the practices of prayer, meditation and surrender.

This awareness hour will include a presentation by Dr. Sklut, with discussion, as well as an introduction to a meditation practice. A question-and-answer session will follow. The program is open to anyone in a 12-step program as well as to others interested in spiritual awareness and practice. Dr. Sklut is a psychologist with the Marion Center Associates.

The second awareness hour, to be held on Saturday, October 7, will be entitled "Working on ACOA Issues: Why Bother?". This program will present a panel of adult children of alcoholics who will share their experiences working on ACOA issues in their own recoveries.

On Saturday, October 28th, the program will focus on "Co-Dependency" . A film narrated by Sharon Wegscheider-Cruse will be shown, offering insight and alternatives for family members of alcoholics and substance abusers.

The fourth awareness hour will be held on Saturday, November 18, on a topic to

"Whydah" Shipwreck Lecture

A lecture about the "Wyhdah" shipwreck and pirates along southeastern New England coasts will be presented at 2 p.m. September 24 in Room 153 of the Visual and Performing Arts Building, Southeastern Massachusetts University.

The lecture is free and open to the public. Parking is in lots 8 and 9.

Kenneth J. Kinkor, Director of Research and Development for Maritime Explorations, Inc., will present the program. Maritime Explorations is the firm owned by Barry Clifford which has recovered 200,000 artifacts from the "Whydah" since its discovery in July 1984. Kinlor will show slides from the discovery.

The program is sponsored by the SMU Library Associates.

Professional Secretaries

The New Bedford Chapter of the Professional Secretaries Interntational (PSI) will hold its first meeting of the year at the Days Inn located on 500 Hathaway Road in New Bedford on Tuesday, September 19th. Dinner will be served promptly at 6:00 p.m.

Jean Armstrong, CPS, will give the Division Message. Jean is the newly elected Treasurer of the Massachusetts, Maine, New Hampshire, Vermont Division of PSI and the Board Contact from the Division to her New Bedford Chapter.

Any secretaries who are interested in becoming prospective members of the New Bedford Chapter of PSI are welcomed to join us at this meeting. Find out more about PSI, the world's largest scretarial association and how membership promotes professionalism by providing education and an opportunity to "network" with others in the secretarial field.

Please call Catherine L. Southerland at 997-2811 (ext. 2576) to make reservations and she will give you further details regarding the dinner menu.

Reception for Musicians

Cellist Yo-Yo Ma and pianist Jeffrey Kahane, who have both been praised for their musical passion, lyricism and insight, open the 1989-90 Zeiterion Theatre season September 15th with a world premiere of American composer Kenneth Frazelle's "Sonata for Cello and Piano". This performance is the first in the pair's upcoming tour of the United States and Canada to premiere the work.

The Zeiterion Concert is the first in the Greater New Bedford Concert Series, sponsored by Delken Professional Dry Cleaners.

Universally recognized as one of the greatest cellists of all time, Mr. Ma gave his first public recital at the age of five. By the time he was 19 he was being compared with such masters as Rostropovich and Casals. One of the most sought-after cellists of our time, Mr. Ma has appeared with eminent conductors and orchestras the world over.

Since winning first prize in the 1983 Arthur Rubenstein Competition, Jeffrey Kahane's career has been in overdrive, with numerous appearances with major symphonies and chamber groups throughout the world. Praised for his dazzling technique and his beautiful tone, Mr. Kahane's debut recording of Bach's

Long Plain Baptist Church

Helen Berry is a missionary with the Conservative Baptist Foreign Mission Society of Wheaton, Illinois. She has served in Taiwan as a church planter and evangelist for the past 35 years. Miss Berry is currently in the States and will be speaking about her ministry at Long Plain Baptist Church of Acushnet during the weekend of September 15-17.

In the past Miss Berry was often the sole worker in a new work or existing congregation. During her last term, however, she led a women's small group meeting in Wu Chang Baptist Church, the 1989 "great cities" PACT (Plant A Church Together) project. She was also involved in extensive one-to-one work - girls, students, women and men. Miss Berry shares herself with the lives of those who seek to grow in their Christian walk. "My work is people. I counsel people with problems. I use the telephone a lot to keep in contact and encourage people. People call me or come to see me for spiritual help", she explained.

The ladies of the local congregation are giving Miss Berry a miscellaneous retirement shower on Friday, September

Miss Berry worked in Kaohsiung, the second largest city in Taiwan and from which this year's Far Eastern entry in the Little League World Series in Williamsport, Pennsylvania originated. In her many years of service, she has shared her home with 38 Chinese young women, many of whom are now in Bible college, and has lived in 21 different houses. She was appointed for overseas service in 1951 and will retire from her mission in December 1989.

ZEN COMES TO NEW BEDFORD

On Sunday, September 20th, Barbara Rhodes, the Abbot of the Providence Zen Center, will be the featured speaker for the Friends of Wholeness at The Standish House, 20 South Sixth Street, New Bedford. From 9:30 to 11:00 a.m. Bobbie will speak of the fundamentals of Zen teaching and will demonstrate and invite us to experience Zen meditation. There will be a children's program of storytelling with Nancy Jordan running simultaneously.

Beginning at 9:00 a.m., registration is $6.00 ($5.00 for members of Friends of Wholeness) and $1.00 for children. Beverages and baked goods will be provided by Rich's Real Foods. For more infor-

MBO Bird Walk

AT SCONTICUT NECK AND WEST ISLAND

Every year in late summer and fall, millions of birds begin spectacular long-distance journeys from their breeding grounds in North America to winter havens in Central and South America. This is a wonderful time to observe these marathon migrants as they stop over in Massachusetts on their way south. The Manomet Bird Observatory (MBO) is offering a free guided walk at Sconticut Neck and West Island in Fairhaven from 8:00 a.m. to noon on Saturday, September 23rd, to help beginners and veteran birders alike enjoy one of nature's most interesting phenomena. George Mock, an experienced birder, will lead participants through a variety of habitats in search of herons, ducks, shorebirds, terns and woodland species. Meet at 8:00 a.m. in the parking lot of the bowling alley at the corner of Routes 6 and 240 in Fairhaven, several miles south of Exit 18 off Interstate 1985. Limited to 20 participants, to register call 224-6521.

Although the Sconticut Neck area has been heavily impacted by suburban develop-

ment and beach cottages, many shorebirds can be seen over the marshes and waters of Nasketucket Bay, the mud flats at Winsegansett Heights, the pond at the end of Sconticut Neck, and the open bay off the end of the neck toward Angelica Island. Woodland species are found in the undeveloped forests on West Island, half of which is protected as a wildlife preserve by the state.

This walk is part of the Tenth Annual Bird-a-Thon weekend sponsored by the Manomet Bird Observatory, an international center for environmental research, education, and conservation action, based in Plymouth. During the Bird-a-Thon MBO's supporters monitor the fall migration and raise funds for the organization's programs to help wildlife and the environment. There is no charge for the walk but participants are invited to enjoy the challenge of pledging a certain amount for each species they see.

For information about activites sponsored by MBO call Vanessa Hewitt (224-6521) or write to MBO, P.O. Box 936, Manomet, MA. 02345.

"Shellfish Protection", the third in a series of Buzzards Bay Project Issues workshops, will address these questions and others of concern to towns in the Buzzards Bay watershed. The session will be held on Saturday, September 16th, from 9:00 a.m. to 3:30 p.m. at Tabor Academy in Marion. Registration in advance is preferred and advised. Registration that day begins at 8:30 a.m.

To register for this workshop or the two remaining workshops, Toxics and Hazardous Materials and Sewage Treatment Options, please call the Lloyd Center at 990-0505. The fee for any of these workshops is $5. which covers the registration materials and lunch.

Now is the time for people concerned about the future of Buzzards Bay to get involved. Local government officials, representatives of environmental organizations and private citizens can make a difference by participating in these workshops. Your input, comments and feedback are essential to the successful implementation of a master plan intended to protect and preserve Buzzards Bay.

George Heufelder, Senior Public Health Sanitarian, Barnstable County Health and Environmental Department, will moderate the workshop and direct discussion of shell-

DIAMOND JUBILEE SEASON OPENS SEPT. 23

The New Bedford Symphony Orchestra, which was founded 75 years ago, will begin its Diamond Jubilee season with a Tchaikovsky Celebration at the Zeiterion Theatre on Saturday, September 23rd, at 8:00 p.m. with F. John Adams, Music Director, on the podium.

The celebration will open with the Waltz from the Sleeping Beauty Suite, followed by Symphony #5 in E Minor. The program will conclude with Ouverture Solennells, popularly known as the "1812 Overture".

The next concert in the 1989-90 series, on November 18th at 8:00 p.m., will feature works by Joseph Haydn and Felix Mendelssohn. The season will continue in the Spring of 1990 with a Pops Concert on Sunday, March 4th, and conclude with a special Diamond Jubilee Concert at the Church of St. Lawrence in New Bedford on Sunday, May 20th.

Reservations for the upcoming concert may be made by calling the Zeiterion box office at 994-2900. Tickets will be held until performance time. Seats are

MARTHA'S VINEYARD
YOUR ISLAND NEXT DOOR

The unspoiled charm and proximity of Martha's Vineyard Island make it a favorite getaway. No matter how long your visit, the Island has much to offer anyone looking for a quiet retreat or a fun-filled time. Part of the fun of visiting the Island is sailing aboard the Ferry Schamonchi. Since it departs from historic New Bedford, the Schamonchi offers the convenience of avoiding Cape Cod traffic. You'll sail in comfort during the 1½ hour cruise - roaming three decks or eating at the snack and cocktail bars.

DIRECTIONS

From Route I-195 take Downtown Exit 15 (Route 18 South). Continue on Route 18 to third set of lights, turn left and follow signs to our day and overnight parking lot across the street from the Schamonchi Dock and Billy Woods Wharf. Limited Shuttle Bus Service available to the Elm Street garage.
